

Creating your Online Account for the New Hexagon Database and Member Directory

With Hexagon's new, online interactive Database and Member Directory you will not only be able to look up other members' contact information, but you'll be able to update your own. The next time you change your e-mail address or get a new phone number, let Hexagon know just by logging in and editing your own record!

Step 1. To create your online account go to <http://www.hexagoncrm.org>.

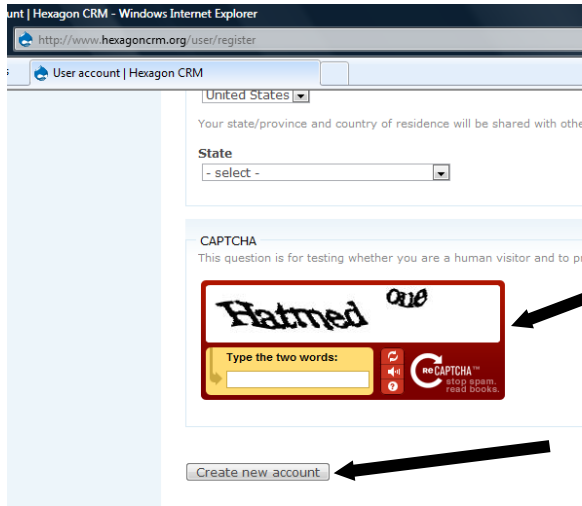

Step 2. Click on the "Create new account" link.

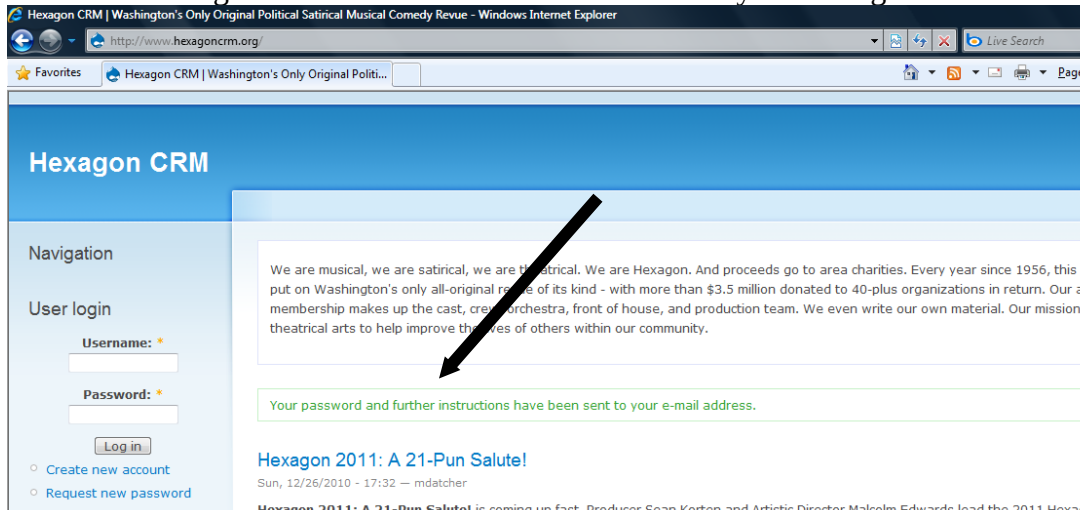

Step 3. Type a username, the email address that you provided on your membership form and your first and last name.

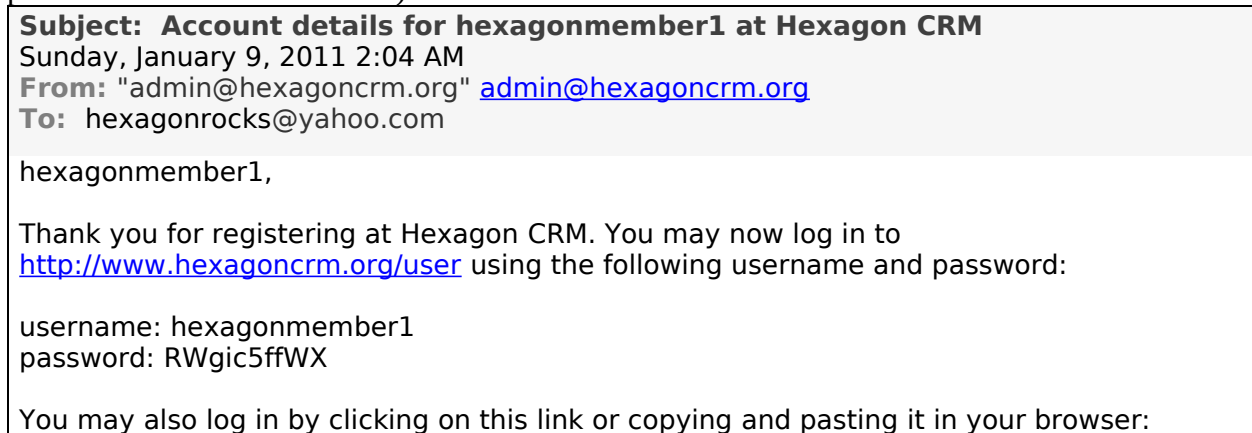

Then, type in the words shown at the bottom of the screen to confirm that you are a human, and not malware. Click "Create new account."

Step 4. You will be brought back to the homepage, where you will see a message indicating that an e-mail message has been sent to the e-mail address in your Hexagon member record.

Step 5. Check your inbox, and if you do not see the e-mail message, check your spam or junk mail folder, as well. The e-mail message will look something like the message below, and will provide you with your new *temporary* password and a special log in link (choose either to log in by going to <http://www.hexagoncrm.org/> and typing the temporary password or by clicking the personalized link in the e-mail):

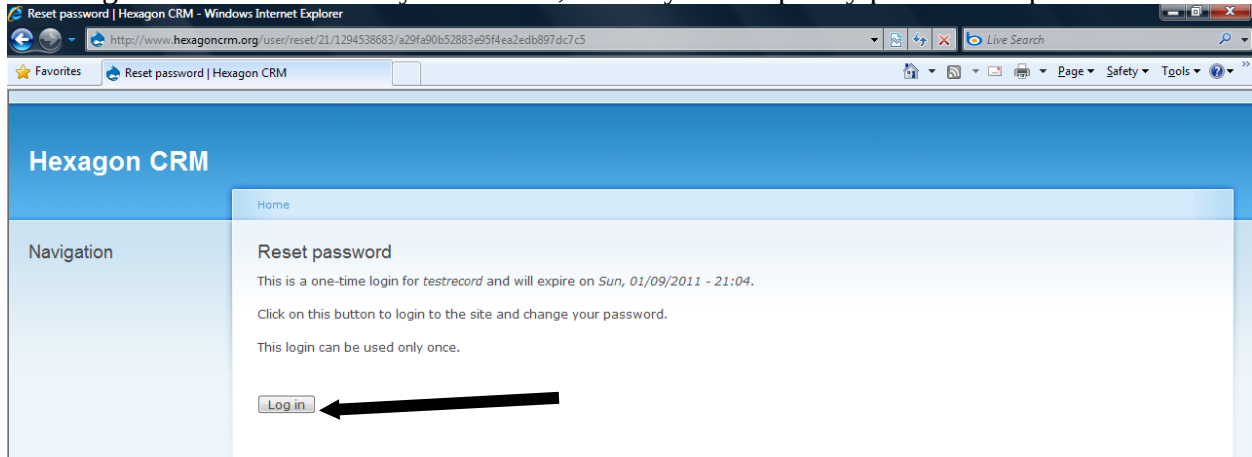

<http://www.hexagoncrm.org/user/reset/21/1294538683/a29fa90b52883e95>

This is a one-time login, so it can be used only once.

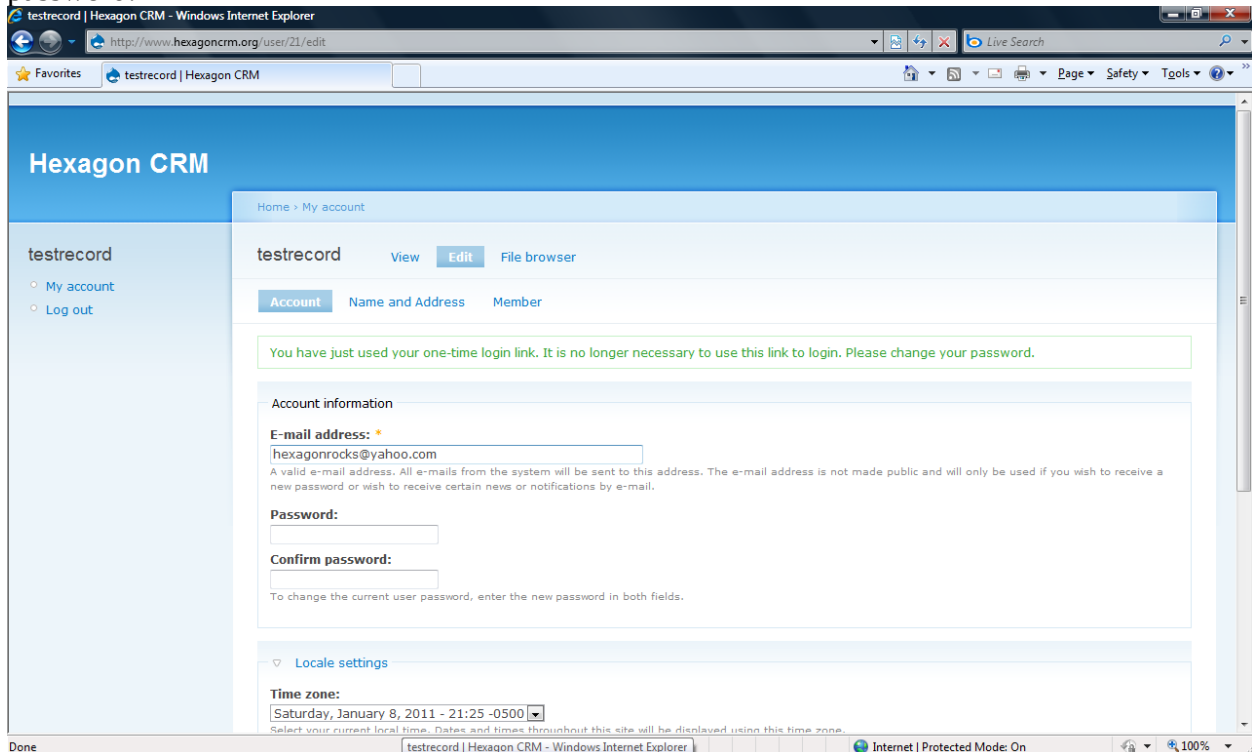

After logging in, you will be redirected to <http://www.hexagoncrm.org/user/21/edit> so you can change your password.

-- Hexagon CRM team

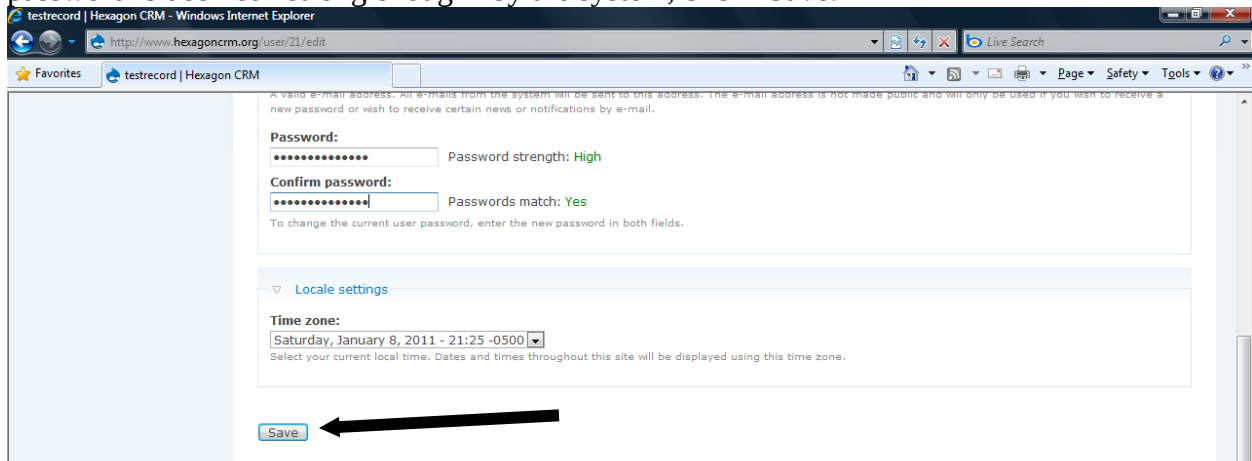

Step 6. Log in and change your temporary password to something you can remember. You must log in within about twenty-four hours, before your temporary password expires.

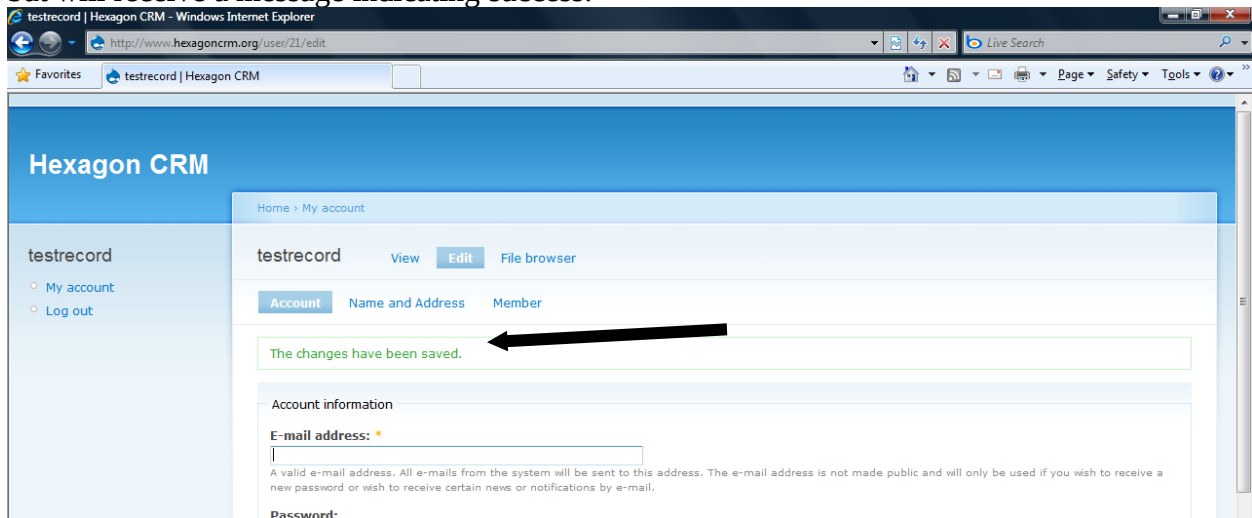

Step 7. Confirm your e-mail address, create your new password, and confirm your new password.

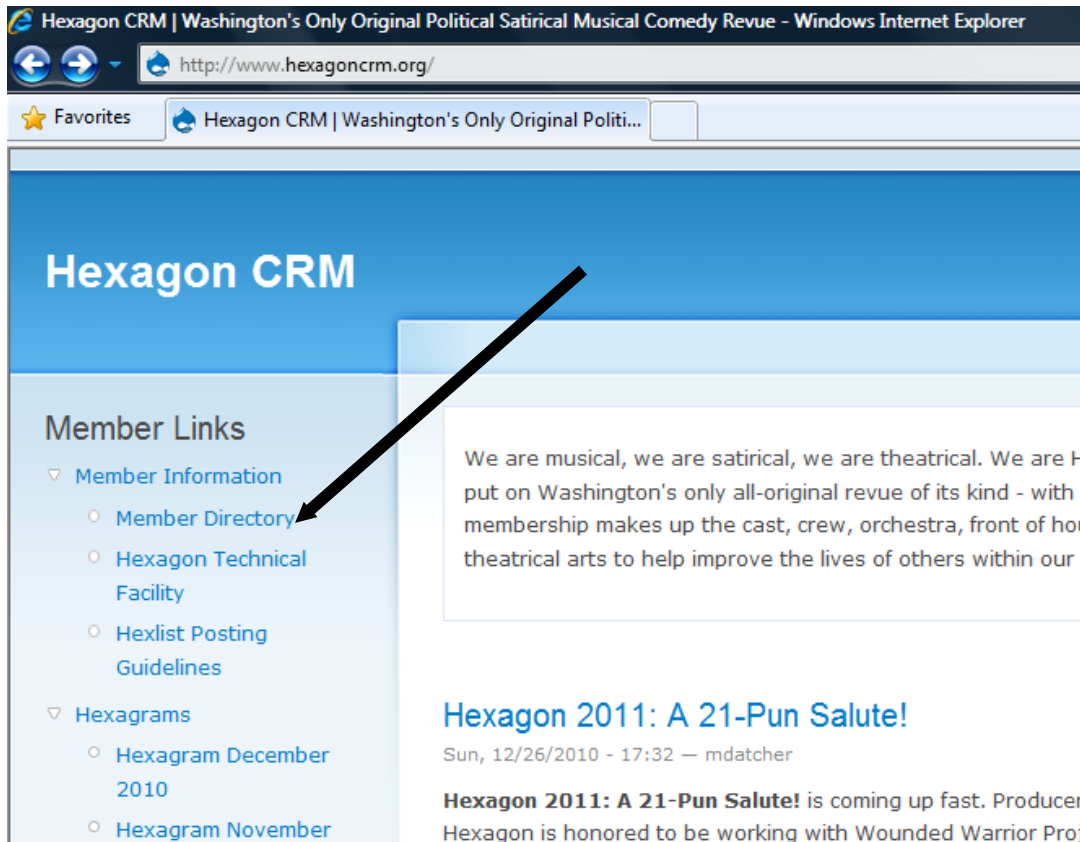

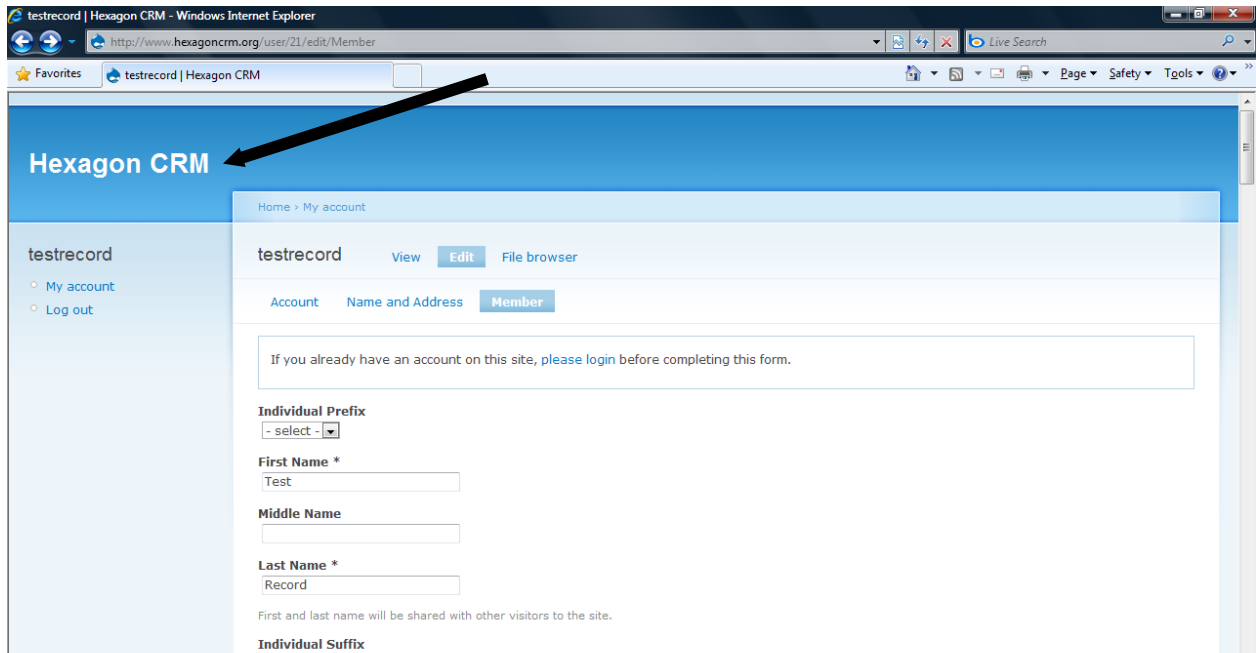

Step 8. If your password is not considered strong enough, the system will let you know, and you will be asked to add a special character or to mix upper and lowercase letters. When your password is deemed “strong enough” by the system, click “Save.”

Step 9. When your new password has been saved successfully, you'll remain on the same page, but will receive a message indicating success.

Step 10. Click on the “Hexagon CRM” header to go to the homepage, where you can access the Member Directory or log out.

Step 11. Welcome to Hexagon's new, interactive Database and Member Directory! Every time you want to return to the Member Directory, log in at <http://www.hexagoncrm.org>.

We are musical, we are satirical, we are theatrical. We are Hexagon. And proceeds go to area charities. Every year since 1956, this nonprofit has put on Washington's only all-original revue of its kind - with more than \$3.5 million donated to 40-plus organizations in return. Our all-volunteer membership makes up the cast, crew, orchestra, front of house, and production team. We even write our own material. Our mission: to use theatrical arts to help improve the lives of others within our community.

Hexagon 2011: A 21-Pun Salute!

Sun, 12/26/2010 - 17:32 — mdatcher

Hexagon 2011: A 21-Pun Salute! is coming up fast. Producer Sean Korten and Artistic Director Malcolm Edwards lead the 2011 Hexagon team. Hexagon is honored to be working with Wounded Warrior Project, our 2011 charity beneficiary.
